The KINGS RIVER CASTING guarantee on wooden parts requires the purchaser to maintain these parts with **PENOFIN®** at frequent intervals when necessary. Failure to do so will result in the voiding of this part of the guarantee.

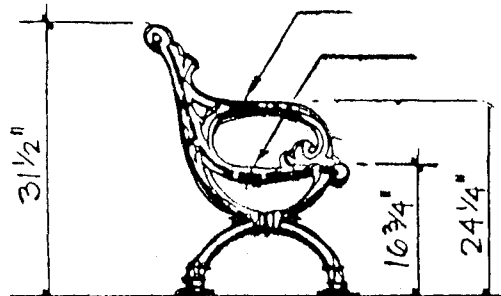

PENOFIN®

Rosewood Oil is the base and primary solid of this product.

Transoxide Pigments are strategic metals microscopically ground to effect a 90% sun block against damaging ultraviolet rays.

PENOFIN® is a finishing oil that can reduce maintenance time and effort and extend the life of your Kings River Casting products. Apply this product according to manufacturer's instructions. Your nearest dealer can be attained by calling:
